# Revolutionize your medical writing with Talent as a Service (TaaS)

## A client-centered approach

How we have supported a long-term client, using the **TaaS model**:

| Hours | Therapy area |
| --- | --- |
| **>3040** | **Neurology** |
| Hours billed by the lead medical writer in 2 years | |

### Document types (including, but not limited to):

- Protocols (New designs and amendments)
